DISTRICT DEDICATION

Mrs. Stephanie Farr has served the staff and students of Joseph City Schools for the past 24 years. The dedication and attention she has contributed to the different responsibilities that she has held has been exemplary. She consistently goes above and beyond the expectations that others have for her and for this we will always be grateful. We will always remember her and the job that she did for our schools. Stephanie is the type of person who makes those around her better. It has been our privilege to work and get to know her. Thank you Mrs. Farr for all that you have done. She has been, and will continue to be, the epitome of a Joseph City Wildcat!

Sincerely, Joseph City Schools

"NEVER UNDERESTIMATE THE VALUABLE AND IMPORTANT DIFFERENCE YOU MAKE IN EVERY LIFE YOU TOUCH, FOR THE IMPACT YOU MAKE TODAY HAS A POWERFUL RIPPLING EFFECT ON EVERY TOMORROW."

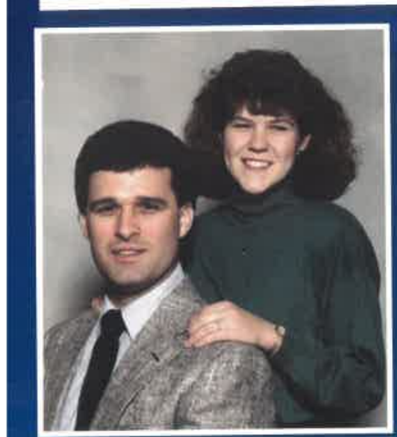
- LEON BROWN

DEDICATION

DEO DIAZ

Mr. Deo Diaz has served our students well over the past several years and is a valued member of our staff and the school community. He has been a coach, bus driver, supervisor, and a mentor who cares about the students and their futures. Those of us who have had the pleasure of working with him truly appreciate all that he does and his charming personality. We will always remember him and appreciate his dedication. Once a WILDCAT, always a WILDCAT! Thank you Mr. Diaz!

Sincerely, B. Fields - Superintendent Joseph City Unified School District



Coach Shawn Layden started his first year at Joseph City JH/HS nine years ago. He came to our district with a wealth of experience after having taught in multiple schools in two different states. He has taught special education, ELA, PE, weights and many others. He has greatly impacted the lives of so many students, not just here at Joseph City, but at every school he has worked for.

He has been an outstanding & dedicated coach. After coaching baseball, football, track, soccer, and basketball for over 20 years, he came to Joseph City High School to finish his coaching career. At a time when most are beginning to relax, Coach Layden was willing to take on any opportunity to coach and teach students. For the first seven years, he coached three sports: football, basketball & baseball! He decided to take a break the last two years and only coached two :). He has dedicated so much time to helping JCHS students after school hours. We are grateful!

From his willingness to dance at pep rallies (please don't ever throw Monopoly money while you are dancing ever again) to his fun stories, he will definitely be remembered and missed! We all hope that retirement is an awesome experience for you! Please come back and say hi!

Thanks from all of us at Joseph City Junior & Senior High School

Junior High Student Council has experienced a renewed interest in participation. It was exciting to see several candidates competing for the different offices to represent their fellow classmates. The winners of the student run-offs were: President: Kregar Kinlicheenie, Vice President: Trak Fish, Secretary: Dylan Edwards, and Social Secretary: Peyton Bushman. Each class had four representatives for their class: president, vice president, secretary and representative. The student leaders were able to work well together and plan activities that would involve as many students as possible. Many successful dances were planned to help all the students feel at ease and enjoy participating. In the future we are planning to have a game hour that will allow Junior High students to interact with each other in a positive social situation. The student council members worked hard this year doing fund raisers and selling lollipops to save for these activities and others that will benefit our Junior High students. Thanks for being willing to work hard and make this year a great one!- Mrs. Rush

The student council started off the year by giving all the seniors a colorful lei and the rest of the student body a frozen Otter Pop treat, hoping they will have a very chill school year! We hosted a very fun pep assembly and introduced all the fall sports teams and played some crazy games. One of the crazy games we played was the human ring toss where students tried to throw hula hoops around a cheerleader while they were standing on each other's shoulders (Thanks for being such great sports cheerleaders)! Our theme for Homecoming was "SPACE". During spirit week the dress up days were: "Alien vs Men In Black, Space Cowboys, & Space Jam". After the Friday night homecoming football game, we had a very entertaining dance that went on into the wee hours of the morning. During the holidays we got festive with our holiday PJs, crazy Christmas hats and socks, and donned our ugly sweaters while we serve hot chocolate and pancakes (Thanks FACS class) to the whole student body. On Valentine's Day we danced to some good vibes with DJ RoRo! Sadie Hawkins was all about a luau on the beach with Hawaiian Tacos, line dancing, and tropical attire. Shout out to the 6th graders for collecting the most canned food for our food drive - never underestimate the power of youth!!! Good luck to the SENIORS of 2024 in your future endeavors! Thanks to all the member of student council for your hard work and making memories that will last a lifetime! - Mrs. Neal

Yearbook class was filled with energy and fun! We enjoyed taking pictures of all the school events and documenting the memories in this yearbook. I am proud of these students and their efforts to learn how to take a good picture and arrange them on a lay-out digitally. It is a lot of tedious work, but they stuck with it and conquered! They were a fun group of students to work with and they always made the days interesting, humorous and filled with lots of excitement! This picture illustrates the energy in our class!

Memories are always special. Sometimes we laugh by remembering the days we cried, and sometimes we cry by remembering the days that we laughed! I appreciate all the hard work these students put in this yearbook!!! It's been memorable --- Mrs. Randall

NEW INDUCTEES

The National Honor Society (NHS) elevates a student's commitment to the values of scholarship, service, leadership, and character. These four pillars have been associated with the membership in the organization since its inception in 1921. Joseph City's organization was created in 1972. Chapter membership not only recognizes students for their accomplishments, but challenges them to develop further through active involvement in school activities and community service. COLLIN

The 2023 football season began with an electrical start. The game against Mohave Accelerated was delayed due to lightning. After three hours of waiting, coaches of both teams decide to cancel the game . At the end of the season the Wildcats were ranked 18th, which was respectable for such a young team. Thanks to all the parents, coaches & managers for their support of this young team. Special thanks to those who served as managers because they could not play this season due to injury.

Next year the Wildcats will return 5 seniors, 8 juniors, and 10 sophomores who gained valuable playing experience in the 2023 football season. Head coach Shawn Layden and assistant coaches Caleb Layden and Latrell Kinlicheenie are looking forward with great anticipation for the start of 2024 football season. With the 2024 football season just around the corner, next year looks to be a promising campaign. - Coach Layden

THIS TEAM. THIS YEAR! THE YEAR THAT STRETCHED ME FURTHER THAN I COULD HAVE EVER IMAGINED OR THOUGHT POSSIBLE!. THE YEAR THAT STARTED ONE WAY BUT BECAME SOMETHING UNEXPECTED AND YET SO BEAUTIFUL IN SO MANY DIFFERENT WAYS. THE YEAR WHERE WE HAD TO LEARN TO ADAPT AND TRY NEW THINGS. THE YEAR WHERE YOU THINK THINGS ARE TAKEN FROM YOU, BUT SO MUCH MORE GOODNESS FILLS THE SPACE. THE YEAR WHERE SELFISHNESS HAD TO BE PUT ASIDE AND TEAMWORK CAME ALIVE. THE YEAR WHERE TEAM MEALS AND BUS RIDES WERE FULL OF LAUGHTER AND FUN. THE YEAR WHERE MORE GROWTH OCCURRED IN 5 WEEKS THAN OTHERS HAD IN AN ENTIRE SEASON. THE YEAR WHERE REAL CHARACTER AND TRUE ATHLETES ROSE TO THE CHALLENGE. THE YEAR WHERE YOU LEARN WHAT TRUE SUCCESS LOOKS AND FEEL LIKE. THE YEAR WHERE PARENTS AND FANS SHOWED UP WITH SO MUCH SUPPORT, LOVE, AND CHEERING. THE YEAR WHERE DREAMS DIDN'T HAPPEN. . . BUT AMIDST THE HEARTBREAK, BONDS WERE FORMED AND NEW DREAMS WERE MADE. THE YEAR THAT STRENGTHENED US AND HELPED US PREPARE FOR THE FUTURE EVEN MORE. THE YEAR WHERE THESE GIRLS PROVED WHO THEY ARE, WHAT THEY STAND FOR, AND WHAT THEY ARE CAPABLE OF. THE YEAR WHERE THEY SHOWED WHAT A WILDCAT IS. THIS YEAR WAS NOT WHAT WE PLANNED. . . BUT LIKE ALWAYS, GOD WORKS IN MYSTERIOUS WAYS AND HELPED THIS YEAR BECOME SOMETHING THAT I WILL ALWAYS BE GRATEFUL FOR. IT IS IN THE STRETCHING MOMENTS THAT WE LEARN AND GROW THE MOST, AND THIS TEAM DEFINITELY DID THAT. I AM SO GRATEFUL FOR THESE GIRLS AND ALL THEY GAVE THIS YEAR. THEY ARE THE REAL DEAL!

Joseph City Cross Country 2023 brought a small group making big progress. The boy's team was led by Cory McLaws, a Junior, who set personal records at each race. His knowledge and example helped to encourage William Grant and Jimmy McLaws, both freshmen, who finished up our small team this season. William showed great dedication and talent as a long-distance runner and Jimmy improved his time the most this year, up over 5 minutes from the beginning of the season. Lacy Deets, our only girl, showed progress with personal records of over a minute from last year. This group was small, but we had fun and had many laughs together. We look forward to next year and hopefully we will have more students come out and join us. I would like to thank Britney Tenney for being my assistant coach this year, and each of the athletes who joined us on the 5k courses. Joseph City's course was one of the most difficult ones, but we had some great times and made some lasting memories. We hope next year will be bigger and better. Thanks to all who helped this year to make it such a success.~ Coach Smith

The high school boys basketball team had an outstanding season. With 11 seniors leaving from last year's team, there were a lot of unknowns coming into the season. I was proud of the time the team spent in the gym over the summer and the hard work that the boys put in once practice began. It led to great success on the court. Our final record was 21-11. There were many memorable games, but the biggest one would have to be almost knocking off the eventual state champions on their home court in the 2nd round of the playoffs. As a team we set the school record for most steals in a season which is a testament to the team's effort. It was a very positive, enjoyable experience for me to work with this team. I am grateful for their desire to be 100% responsible and give their best. - Coach Miller

At the close of the 2023-24 basketball season, I can't help but think about the fun we've had as we worked hard, played hard, and sacrificed, we were very successful. WE are going to miss our seniors and wish you luck. We could not have had the successful season we've had without the support of our community of fans, parents and families, administration, and especially the coaching staff. Thank you all!! The 2023-24 wrestling season was a bittersweet success. The team members competed well and improved throughout the season. The boys' team finished with a dual record of 18-10, and every wrestler who competed at the sectional tournament was a match away from qualifying for the state tournament. We did have two state qualifiers, Cory McLaws (113) and Tytan Penrod (165), who gained valuable experience by competing at the state tournament. We have a lot to look forward to next season since all members of this year's team are eligible to return. The girls' program continues to develop and grow. Sadly, we will be saying goodbye to three seniors this year. Kayla Begay, Sara Scott, and Jordan Begay. Each of these wrestlers has worked hard to improve their skills and build the Joseph City Wrestling program. They will be missed greatly. However, Kayla Begay, who leads the girls' program in every career statistics category, is considering offers to continue her wrestling career at the collegiate level. Another important addition to the wrestling program has been the addition of Coah Lisa Gayer and Coach Cody Miller to the coaching staff. Their mentoring and guidance has helped all of the team members. On behalf of Joseph City Wrestling, I would like to thank everyone for supporting Joseph City Wrestling.~ Coach Fischer

The 2024 baseball season has been a challenging season with mostly young inexperience players. The team currently has a 4 -14 record with four games yet to play. The biggest highlight of the season came when the Wildcats won the first two games in the Joseph City Invitational Tournament and played Holbrook in the championship game. Seniors: Brent, Jared, and Cole have played well throughout the 2024 season. Cole has led the team in hitting, and Brent has been the winning pitcher in the three of the team's four wins. Juniors: Jeffery and Brennen have been bright spots in the lineup. Jeffery has been an anchor in the outfield and at the plate. Sophomores: Cort, Eli, and Jaimen have improved and lifted the team in their respective positions. Freshmen: Kameron, Kyan, Tytan, and Waylon have had promising starts to their high school baseball careers. Special thanks to all the other players who practice daily and don't get as much playing time as the starters: Jaxon, Benn, Heston, and Indy. Huge appreciation and thank you to the baseball managers: Kayla and Kinady for keeping pitching charts, scoring the game on the iPad, getting the water for practice as well as all the other behind the scenes things you do for the team. I would like to thank the administration for the opportunity to coach the Joseph City Wildcat baseball team for the past nine years. I also want to thank assistant coaches: Caleb Layden, Eldon Larsen, and Robert Larsen for their efforts in helping the team to improve throughout the season. I'd like to thank all the parents for allowing me to coach their sons during the 2024 baseball season. With retirement from teaching and coaching, I reflect on the past nine years with the fondest of memories with hope that my contribution to Joseph City baseball was more than just coaching. Sincerely, Coach Shawn S. Layden

The Wildcat softball team is having another great season. The team has a regular season record of 12 - 2. Overall the lady Wildcats are 23-3-1 on the season. We came out on top this year at the JCHS Softball Invitational and also the consolation champions in the Epic Tournament. The only game we lost in the tournament was the currently rank #1 team in 3A. The Wildcats have had several come-from-behind wins this year. Two of these came in the Epic Tournament, one in which they were down by five going into their last at-bat, then scored five runs to tie the game and then won the game in extra innings. Another exciting come-from-behind win was the home game against Bagdad. The Lady Wildcats were down 3-2 going into the bottom of the 7th inning. The Wildcats rattled the bats for three hits and won the intense game 4-3. They are currently ranked #2 in the 1A conference rankings. The Wildcats should host the first two rounds of the state playoffs starting on April 26th, then take their game on the road as they will play the rest of the games at Papago Park, and then the championship game will be at ASU on May 6, 2024. Thank you to all the parents and fans who attend the games to support the Wildcats during the season. We appreciate it! Go Wildcats - Coach Hutchens

MY ♥ IS ON TRACK

Every year brings a distinctive flavor to the program. This year, I would say the flavor is "new". We have a few returning athletes which are: Cambria Miller throwing shot and discus, Cory Mclaws and Lacy Deets, both juniors. Cory has worked on increasing his speed in the 1600m and the 3200m races. Lacy made a switch to mid-distance & now does the 400m and 800m. She has embraced the challenge and we expect to see great things from her. Kaci Palmer and Cody Nockideneh round out our returning athletes. Kaci participates in the 300m hurdles and high jump. She qualified to compete at state in the high jump. Cody competes in the 100m, 400m, and long jump. Our new athletes are Dylan Salazar, in the 100m and high jump, he is possibly qualified for state in high jump. JD Miller, Gianna Brawley, William Grant, and Jimmy McLaws are our new freshmen athletes. JD and Gianna participated in high jump and the 100m with JD additionally doing long jump. William competes in the1600m and 400m races. Jimmy carries on the McLaws tradition of the 1600m and the 3200m run. Nathan Daumueller does a mixture of the 100m and long jump. Mariah Miller, Gage Miller and Marine Thurel compete as our throwing group. Marine has done particularly well increasing her distance significantly at each track meet. My assistant coach has been Gayla Smith who works with the throwers and helps me stay on top of all of the things I forget. We were fortunate to have Danika Pound as our track manager this year. Thank you to all of our athletes for allowing me to be your coach. - Coach Rush

Jr. High Softball had a great season. We saw a lot of growth from all the girls. Our 8th graders really stepped up and showed great leadership, while our underclassmen stepped up and filled in where we needed them. We had a very young team with several 6th and 7th graders seeing lots of playing time on the 8th grade team. Even though we didn't win a lot of games, we saw a lot of success on the field. The girls showed determination and grit, and met our team goals. The girls worked hard and showed great teamwork. Much improvement was show on all levels. I loved their determination and saw so much improvement. Many were returning athletes who had already played two years. These girls were the leaders of the team. They worked hard and helped us get better. I really enjoyed coaching this team and wish them much success in high school - Coach Edwards

7th grade volleyball had a great season this year, it was a learning and growing year. We won a few and lost a few, but we became better with every game. The girls worked hard and played well together. They showed great teamwork and sportsmanship, and represented our school well. Our 6th graders worked hard through the season and showed great improvement. These girls are going places. Look for them to be tough competitors on the court next year. - Coach Beatty

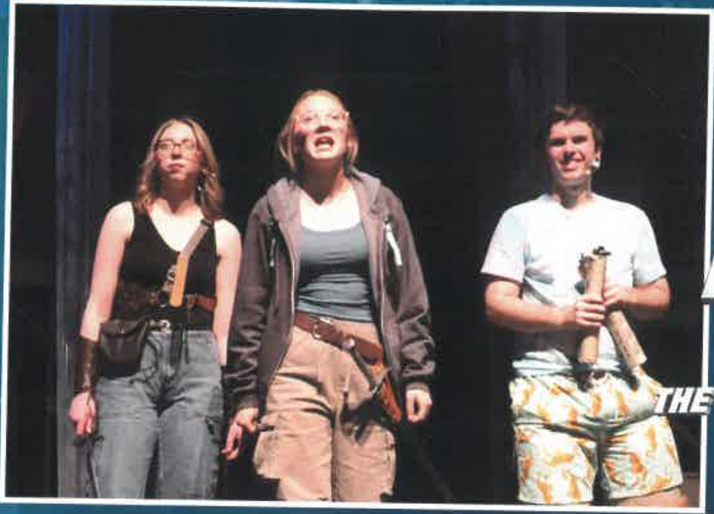
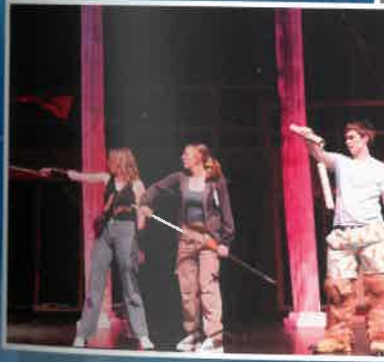
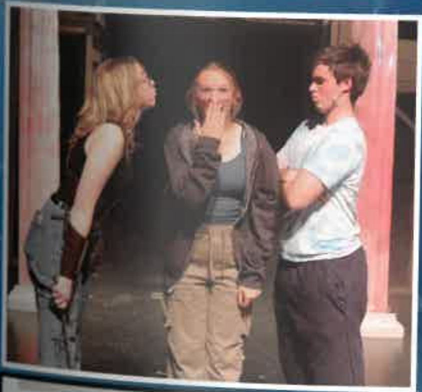
THE LIGHTNING THIEF

THE PERCY JACKSON MUSICAL







"Being a hero doesn't mean you're invincible. It just means that you're brave enough to stand up and do what's needed."

Thank you for all who helped with the lightning thief! At its heart, this is the story of a teenager looking for belonging. Someone trying to understand that, sometimes, life doesn't go as planned and sometimes there are moments we feel like we don't know who we are. The monsters of this world come in all different shapes and sizes: heartbreak, loss, sickness, stress, mental illness, and so many more. We feel incredibly blessed to work with the youth of Joseph City who have taught us that, despite these moments and monsters, "we don't have to go it alone." Each of us are a part of something greater, and together, we can face whatever life throws at us... and sometimes in that journey we can discover who we really are. Thank you for your support of the arts and these amazing young actors. I hope you enjoyed the show! - Jason and Anthony Whetten

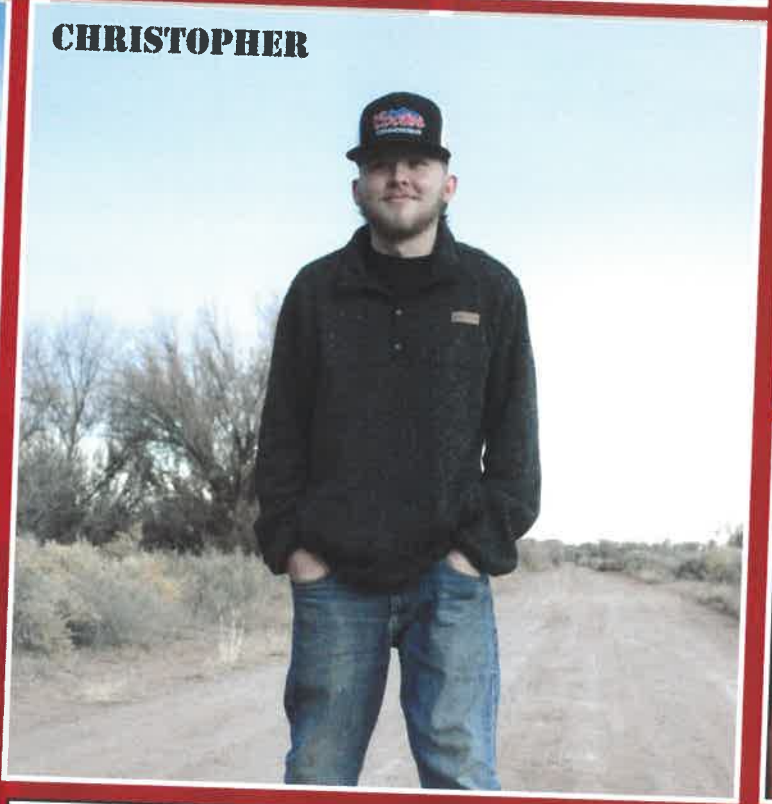
Brent Baby! I can't believe the time is here! My momma heart is so proud of you. You have grown into such an amazing young man. You stepped up and have been exceptional with your nieces and to the challenges handed to you! You are fiercely protective, loving and take nothing from anyone. Leadership qualities abound! Stay true to who you are and be the man GOD wants you to be and the man I raised you to be. You got this kid! I love you and I am so proud!
Love, your crazy momma!

My Drizzle! You have accomplished so much in your high school career. I can't wait to see all the amazing things you will do in life! Keep grinding and stay focused and don't let anyone bring you down! - Jack

Uncle Brent! I have had the privilege of watching you grow and become the man you are today. You have overcome much adversity in your young life and have handled what the universe has given you like an absolute CHAMP! Be loud and proud of who you are and it will bring you far. The girls and I love you very much! Congratulation Bub!
P, T, & H

We are so blessed to call you grandson. We have loved seeing you grow up to be an amazing young man. Our challenge to you is: Always remember who you belong to and that the Word is the authority and yardstick for your life. II Timothy 3:16 & 17.
Much love, Nanny & Papa

Brent Baby!
I'm so proud of the young man you've become. You've overcome a lot of obstacles throughout your high school career and it has shaped you to be an amazing friend, uncle, son, grandson, and brother. I hope you'll always remember me screaming my head off at your basketball games!! Keep climbing the mountain kid!
Love, Kenzie



We are excited to see where this next chapter takes you. We are proud of the young man you've become. Don't ever stop chasing your dreams and continue to do what you love. We will always be your biggest fans and supporters. Love you to the moon and back!
Love, Mom, Dad, Michael, Bri, Brook, & Jake ❤

You are so, so beautiful, smart and caring. We are blessed to see you grow into the young woman you are today. NEVER GIVE UP! We are proud of you!
Love ya! ❤

Kayla as you graduate, we wish you great success and happiness. We love you!

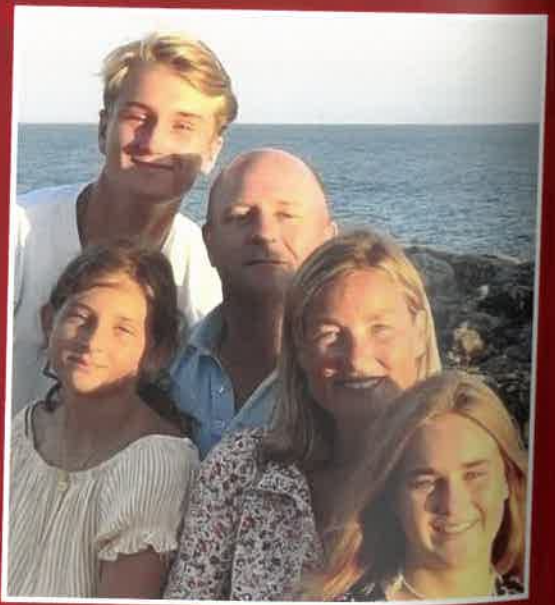
So thankful you came to America and got to be a part of our family! It has been an awesome year! You have became a sister to me, not a sister by blood, but by heart! - Kaci ♥



My darling,
Your father and I are so proud of you! What a wonderful adventure you've had! You dared to get out of your routine, to speak a foreign language, to get away from your family and friends! This year will stay with you for the rest of your life, as you lived your American dream and made it come true. Thank you to the Palmer family, the teachers and the students who have made you feel so welcome! We are so happy for you! You've been rewarded for your determination to learn about the American way of life. Cheerleading, volleyball, basketball, horses, a different kind of education, interesting studies, strong family values and special moments with Kaci and her parents have given you a rich experience! We love you! - Mom & Dad

The Lady Wildcats had an amazing season this year. It was capped off with winning the State Softball Title on May 6, 2024, with a 26 - 4 victory over Bagdad High School. That is how it ended, but there were many trials and steps along the way that got the team to this great event. The season started with high hopes as we had come off a tough loss last year in the State Title game. The Wildcats were winning 8 - 3 through 4.5 innings, but the game slipped away in the bottom of the 5th and the Wildcats had to settle for the Runner-Up award for the 2023 season. The Cats knew that they had the skill and talent to make another run at the title, but any athlete will tell you it takes more than skill and talent to be successful as a team. The season started off in a good fashion with a very convincing win over St. Johns and St. Michaels. The team then went to the JCHS Softball Invitational with high hopes of repeating as champions, but there were some new faces at the tournament so we were confident we could do well, but not overconfident that we could win the tournament.

The first two state playoff games that the Wildcats had were against Hayden and Anthem Prep. Hayden has lost to the Wildcats two times this year and they beat them again 20 - 1. The Anthem Prep Eagles came to town highly talked up and had a great pitcher and a couple of power hitters. The Wildcats were able to handle them. They were not able to even score. The Cats won 11 - 0. Next up in the tournament was the Williams Viking whom the Wildcats had lost to earlier in the year. Both teams knew that this would be a battle and it definitely was. The Wildcats quickly jumped out to a 4 - 0 lead in the top of the first, but the Vikings battled back and scored 7 runs to take a 7 - 4 lead. The Wildcats quickly tied the game back up 7 - 7. Then the game was tied at 10 - 10. After that, it was all Wildcats and they held on to win 14 - 11.

With this win the Wildcats were poised to be in the championship game again in 2024. The Cats knew that this would not be an easy win, but they felt confident in their abilities to be successful. What happened in this game is what folklores are made of. The Wildcats batted first as they were ranked #2. In the first inning, the Cats scored two runs. The second run was a home run over the fence by April Neill. The Wildcats were able to get the Sultans out in the bottom of the first - three up and three down. In the top of the second, the floodgates opened and the Wildcats scored 6 runs. They went on to score 10 runs in the top of the third and finished with 8 more runs in the top of the 5th inning. The Wildcats accumulated 20 hits on the night. 7 singles, 7 doubles, 1 triple, and 5 home runs. Audrey Neill hit a grand slam homer. April Neill hit two homers and Kayle James hit one. Lorelai Sander capped off the 8-run 5th inning with a solo home run! The Wildcats won the State Championship Game with a final score of 26 - 4. The 26 runs mark the most runs ever scored in a Championship game 1A - 6A. The Wildcats really learned how to work as a team this year and the last three weeks of the season we were undefeated. They cheered, they worked, they had fun, and they celebrated all the successes of all team members.

This season will definitely be one for the books in the Wildcat Softball Legacy. Go Wildcats!! – Coach Hutchens
